

TAKING EC LIVING TO SKY LIMITS

Where sky-high aspirations are worth living up to

Live up to your home pursuits with the first executive condominium in Sembawang. Nine skyscraping towers ringed by shimmering water bodies. 506 covetable units crowned by a sprawling SkyPark in their midst. Welcome home to SkyPark Residences.

THE EC WITH A WEALTH OF WATER FACILITIES

Where life is drenched with fun

Be surrounded by extensive water bodies in the forms of aquatic-themed facilities and landscaped pools. Over 30% of the ground-level communal spaces are filled with sparkling water bodies, promising a wealth of water leisure options and rippling views.

THE EC WITH AN ICONIC SKYPARK

Where lifestyles are taken to new heights

At more than 15 storeys above ground, experience a morning stretch among the clouds or candlelight moments under the stars. A breathtaking range of facilities that will take you to a new level of recreation. Atop the SkyPark, Singapore's northern panorama simply dazzles.

Sky PARK RESIDENCES

A PREFERRED ADDRESS

Where a network of conveniences resides

A highly developed estate in Singapore's northern tip, Sembawang has an established network of transportation, educational and shopping amenities. Strategically straddling the upcoming Woodlands Regional Centre and Punggol eco-town, this is where the promise of future lives.

THE RUSTIC-YET-URBAN CHARMS

Canberra Park

Where the best of both worlds beckons

Cradled between lush greenery and urban amenities, you will get to live where the best of urbanity and nature resides. With the Sembawang MRT Station and the SLE/CTE/TPE in the immediate periphery, you can reach all parts of the island with ease.

Sembawang Park

A WELCOMING LANDMARK

Where every day is a grand arrival

The entrance, with its distinctive welcoming arch and circular water feature, makes every step into and out of home a moment to be remembered. An artistic blend of curves and textures, this signature porch is an architectural statement as much as an all-weather shelter.

AT HOME WITH SKY-HIGH LIFESTYLES

Artist's Impression

Where you feel on top of the world

The first executive condominium to feature a SkyPark, 15 storeys high up in the atmosphere. A sprawling 1,250 square metres brimming with recreational and lifestyle facilities; take a run along the 200-metre SkyPark Jogging Track, throw a family party at the Sky Lounge, or kick back and stargaze.

GET HIGH ON GREAT VIEWS

Where stars twinkle and clouds flutter

At 44 metres above ground, enjoy the spectacular panorama of green expanses and the whole of Sembawang fanned out in sunset hues. Under the starry skies, or in a magical sunrise moment, take in the most privileged views of Singapore's northern skylines.

HOME IS A WATER PARADISE

Where there are pools, spas and gallons more

Be showered with a wide array of water-themed facilities. Enjoy a morning swim in the 50-Metre Lap Pool; dunk your children in the Children's Play Pool. Or indulge in aquatic wellness with the Pool Massage Beds and Jacuzzi. Every day can be drenched in water fun.

A HUB OF FUN AND MORE

Function Room

Gymnasium

Where it houses fulfilling lifestyles

The pool-side Clubhouse features two storeys of lifestyle options. From a well-equipped gymnasium to a stately function room, the Clubhouse is designed with an open rooftop lounge that overlooks the sparkling 50-Metre Lap Pool. For a memorable dining experience, huddle within the Pool Dining Pods.

Specifications

False Ceiling

The space provision allows for the optimal function and installation of M&E services. Access panels are allocated for ease of maintenance access to concealed M&E equipment for regular cleaning purposes. Where removal of equipment is needed, ceiling works would be required.

Balconies, PES and Reinforced Concrete (RC) Ledge and Reinforced Concrete (RC) and/or Steel Trellis

Where the Building is designed with a Balcony, PES, RC Ledge, RC and/or Steel Trellis or which are open or covered by roofings, the Purchaser shall not dismantle such roofings nor shall the Purchaser cover up or erect any roof structure (including but not limited to retractable awnings) over such Balcony and/or PES and/or RC Ledge and/or RC and/or Steel Trellis except with the prior approval in writing of the relevant competent authorities and the Vendor.

Wardrobes, Kitchen Cabinets, Fan Coil Units, Gas Pipes and Heaters, Electrical Points, Door Swing Positions and Plaster Ceiling Boards

Layout/Location of wardrobes, kitchen cabinets, fan coil units, gas pipe and heaters, electrical points, door swing positions and plaster ceiling boards are subject to Architect’s sole discretion and final design.

Materials, Fittings, Equipment, Finishes, Installations and Appliances

The brand, colour and model of all materials, fittings equipments, finishes, installations and appliances supplied shall be subjected to Architect’s selection, market availability and the sole discretion of the vendor.

Air-Conditioning System

To ensure good working condition of the air-conditioning system, the system has to be maintained and cleaned by the Purchaser on a regular basis. This includes the cleaning of filters, clearing the condensate pipes and charging of gas.

Developers

JBE Holdings Pte Ltd

JBE Holdings Pte Ltd (“JBE Holdings”) is a property developer with a strong commitment to environmental sustainability and enriching lives through thoughtful and quality home concepts.

With a diverse track record that spans residential and mixed-use projects, JBE Holdings has developed Luxe Ville, a freehold 50-unit condominium at Pasir Panjang Road; and 53 units of terrace houses at Sembawang Greenvale next to Sembawang Park.

JBE Holdings is also the owner and developer of The Luxe, a mixed-use development at Handy Road in the heart of Orchard area. The development concept of The Luxe is to enable city living amid artistic ambiance in Singapore’s centrally-located art and heritage district.

SkyPark Residences marks JBE Holdings’ foray into the development of executive condominiums. The development vision of SkyPark Residences is to up the ante of executive condominium living through a luxurious SkyPark perched in the sky with a wide range of recreational and lifestyle facilities.

JBE Holdings is a private developer with a decade of development experience in Singapore.

KEONG HONG

Keong Hong Holdings Limited

Keong Hong Holdings Limited (“Company”), our subsidiaries and our Associated Company (collectively referred to as the “Group”), was established in Singapore in 1983 and listed on the Catalist Board of the Singapore Exchange Securities Trading Limited (the “SGX-ST”) in 2011. The Group is a provider of a broad range of building construction services to both private and public sectors for residential, commercial, industrial and institutional projects.

Our Group’s business comprises building construction services including conventional contracts, additions and alterations (“A&A”) and Design & Build (“D&B”) projects in Singapore and the Maldives, and property development in Singapore.

With over 25 years of experience, the Group has established a strong customer base comprising major players in the construction industry. Our major customers include well-known property developers and owners such as Keppel Land group, Frasers Centrepoint Limited, MCL Land Ltd for private sector projects, as well as government bodies and statutory boards for public sector projects. Our diversified portfolio of projects includes The Esta, IBIS Hotel Project, Falhumaafushi Resorts, Maldives, Singapore Institute of Management, Sime Darby Performance Centre, The Belvedere, Martin Place Residences, Parvis @ Holland Hill and 8@Woodleigh Close. In 2011, we also forayed into property development through a joint venture with FCL Tampines Court Pte. Ltd. to develop a 728-unit executive condominium project in Punggol.

The Parvis

Twin Waterfalls

Led by a highly qualified and experienced management team with a total staff strength of over 100, Keong Hong has built a strong reputation in the market for its commitment to quality and service. The Group achieved numerous industry recognitions including BCA A1 grading under the category CW01 for general building which allows us to tender for public sector construction projects of unlimited value with no restrictions for private sector construction projects, as well as BCA Award for Construction Excellence. The Group was also awarded ISO 9001:2008 and SS ISO 9001:2008 Certificate of Registration (Quality Management System) for design management and building construction services, ISO 14001:2004 and SS ISO 14001:2004 Certificate of Registration (Environmental Management System) and OHSAS 18001:2007 Certificate of Registration (Occupational Health and Safety Management System).
